CHILDREN'S
HOSPITAL
ASSOCIATION

Children's Hospital Association, the Association of Medical School
Pediatric Department Chairs, and Cincinnati Children's
Invite You to a Congressional Briefing

Children First for a Prosperous America

Child health is essential national infrastructure — critical to our families, our country, and our future. Join leaders from the military, business, and healthcare sectors for a bipartisan conversation on why children must be at the center of national policy.

This briefing is grounded in recommendations from the [Launching Lifelong Health](#) report, released by the National Academies of Sciences, Engineering, and Medicine in 2024.

Confirmed Speakers

General Stanley McChrystal

U.S. Army (ret.)

The link between child health and national security

David Erickson

Federal Reserve Bank of New York

Child health as the foundation of our future workforce

First Lady of Ohio

Fran DeWine

Imagination Library of Ohio

Early learning and enrichment form an opportunity-rich childhood

Timberly Pierce

Dolly Parton's Imagination Library

Early learning and enrichment form an opportunity-rich childhood

Tina Cheng, MD, MPH

Cincinnati Children's

Launching Lifelong Health report recommendations and next steps

The Honorable

Brad Wenstrup

Moderating the briefing and uniting these voices to come together for change

Date: Wednesday, November 5, 2025

Time: 12:00-1:30pm

Location: Gold Room, 2168 Rayburn House Office Building

Lunch will be provided

RSVP by October 24: Charla Ramsey | charla.ramsey@faegredrinker.com
